Playground & Common Area Rules

As daylight hours shorten, all rules for the playground, basketball courts and common areas are to be followed.

Please revert to the community Rules & Regulations as a reminder.

Community Safety

We'd like to remind families to help keep the neighborhood safe for everyone.

Guardians, please be sure children are being supervised when playing outdoors, especially in streets and common areas.

It is also a great time to talk with kids about being aware of their surroundings, watching vehicles, staying on sidewalks and paths, and playing safely with others.
