

## Home Address Numbers

It is important that your home address numbers are visible and large enough to see from the street. Numbers must be at least 4 inches. These numbers help Police, Rescue, and Fire Departments locate you in case of an emergency.

## Renting

All homeowners interested in renting their homes, must follow the proper HOA guidelines. This includes prior approval by the Board of Trustees. Please email or call the office to receive the Rental Guidelines documents.

Failure to provide the required tenant documents can result in a **\$500.00 fine**.

## Personal Items in Common Areas

Please remove any items that you may have behind your fence or in any common area. All items must be removed or will be picked up and disposed of.

**Cleaning Fees will be charged accordingly.**

## Notary

Notary Services are available at the HOA office. This is a free service offered to homeowners for up to three documents per month. If you exceed said amount of documents, there will be a nominal fee for the service.

Please call and make an appointment with the office for any Notary services.
